

# P51E: Strategic T&D Environmental Topics

01

## Forward Looking

Scout the landscape,  
identify issues ahead  
of time, be prepared

02

## Research of Opportunity

Proof of concept, timely  
collaborative research,  
game changing ideas

03

## Stakeholder Communications

High level tech transfers, address  
information gaps, create  
interactive content with  
educational components
